Nina Smith

Soph. 58-59

Dear Nina,

Every year I say the very same thing in your annual — so I guess it will be the same this year.

We have had loads of fun this past year but it hasn't all been peaches & cream — has it? Remember the tough time we had in Algebra or at least I did. Remember May 7, 1959, we were both scared to death.

Didn't we have fun working in the Jr. Sr. Banquet — I know our banquet that we give next year will be just tops.

It looks like I have already finished my yearly routine but every year I can add something new because every year here in the T. H. S. seems better & gets better than the one before it.

Well — it is all said so I'll just close with wishing you luck & happiness in all that you try.

Love ya,
Lynda Sue

Dear Nina,

It looks like this school year is almost over and I can truthfully say I enjoyed you as a class mate. I myself enjoyed this more than any other year. I hope you enjoyed it as much as I did. Although it hasn't been all fun. Take Algebra for instance, That sure is rough for me to understand. How about you? I bet I knew what your answer would be to that. Hs. Well I'll close by saying stay the way you are now and I'll be glad to say I think you will be a great success.

"Lots of luck,
Sammy Joe"

Dear Nina

I have enjoyed going to school with you this year. we've had a lot of fun working on the Bonquet. and let me not forget the class party. I wish you all the luck in the world.

Nina,

This should go on forever,

Glenn

Dear Anna,

I have so much to say I don't know where to start. I have had so many good times with you. Never forget all the fun we had at Enid. We have done so many mean things it isn't even funny. You are one of the sweetest friends I know. No one could have a truer friend than you. We have had wonderful times at school, church and out side of school. One thing I'll never forget is our fun doing the summer. I'm am really looking forward to going to Stillwater this summer and you riding up with me.

I think a girl as sweet as you are will be successful. I can't express how much fun I have had with you as well as your family. I want to wish you all the success and happiness for you deserve it. I the Jr. & Sr. will be with you next year. Love always
Ann Bay

It has been so much fun going to different schools together for the last nine years and I hope I can have years and years of fun. Lots of love & luck more

Dear Nina,

I have known you quite a while because we went to the same church, but going to school with you has been more fun than ever. Stay as you are.

Dear Nina.
The best of luck to one of the finest little girls I know. You deserve the best of everything the world can give. Stay as sweet & pretty as you are now.

Dear Nina
It has been nice going to school with you this last year. I am all that I hope of you, you are really a swell girl. Love & luck
Laurie

Dear Nina,
I want to wish you the best all through school. I mean feel you will succeed in everything you attempt. Good luck and glory that wins you.
Love ya,
Laurie

Dear Nina,

Well, I guess this year has just about gone by. I had so much fun in the past two years. I've had a lot of fun in English and in Sub-Deb.

It doesn't seem like I've been here just two years. Both years have been so crammed full of fun and laughs.

I guess next year will be Juniors. Won't it be fun having to work on the Fr. & Sr. Banquet.

Nina, you are a very sweet girl. I love ya loads. I hope when we graduate, we won't forget each other (for a little while at least). Best of luck and happiness throughout life.

Love ya,

Sharon

Dear Nina!

Well Nina! It looks like I finally made it out of High School. I hope. Nina you have been a lot of fun. I algebra, of course you have made better grades, but you haven't had a bit more fun in there. I wish you all the happiness in the world.

Jimmy L.

Dear Nina,

Congratulations on being our other twister. I'm sure you'll make a good one. You are one of my best Soph. friends. I hate to leave all of you. I hope you have as much fun and happiness as I have had.

May God Bless You
Love,
Lenny

I think you'd make a real good waitress at our banquet. Good luck in getting the rules. I think you'd really make a good one. Best of luck to a real sweet girl.

Dear Nina,

Here is a real sweet girl who I think will be a great waitress. I think you will be an excellent waitress next year. You were so cute as a waitress at the In. So. banquet. I am looking forward to the banquet you all will have next year for us. Feel honored to have the name of being a waitress.

Dear Nina,
 It has been lots of fun going to school
 with you this year and for the last 9 years
 too. I will always remember the good times
 we have had together. Especially on
 band trips and up grade school. We have
 ventured many times into the wonders
 of the world. There are many things that
 we haven't done. We have two more
 years of high school. The next two
 will be our most fun and work too.
 We will have to put on a good show.
 I'm sure with our class record
 we will make it the best one yet or the
 sophomore will have to give it up. We will
 have to do it "Probably". We will make
 it and get it with flying colors.

Line up game with Central for Friday.
